Year of Report : 2009 – 2010

### PART – A

**The Plan of action chalked out by the IQAC in the beginning of the academic year 2009 – 2010 towards quality enhancement and the outcome achieved by the end of the year:**

S. No.	Academic Plan	Outcome Achieved
1.	Department of Biochemistry has proposed to organize a Young Student Scientists Programme (YSSP)	Twenty days Young Students Scientists Programme (YSSP) for School Students have been conducted between 05 <sup>th</sup> May and 23 <sup>rd</sup> May 2010
2.	In-house Seminars by all Departments.	More than 50 in house seminars by various departments were organized
3.	Submission of proposals to various funding agencies for conducting conferences / Seminar / Workshop	Under process
4.	With a view to facilitate the issue / return process, bar coding will be introduced in the library	As planned, bar coding was introduced in the library.
5.	The Computer Science department has planned to upgrade the PG lab with more number of systems with latest configuration.	Computer Science lab was strengthened with additional 10 Multimedia systems
6.	With the increased requirement of higher studies in Biotechnology, introduction of M. Phil Biotechnology will be planned	As planned M. Phil Biotechnology course was started from the academic year 2009 - 2010
7.	To sustain the current level of standards or exceed the current standards depends on the strength of the Quality Management Systems (QMS) and Control	The IQAC committee has many plans of activities to bring about awareness among student regarding concepts of Total Quality Management. The IQAC committee organized interactive sessions with Resource Persons drawn from the Educational Institutions. Crucial areas to be improved are identified by the IQAC committee and these

		are branded as tasks to be attended to immediately with perceptible change in the Quality of service offered.
8.	It is proposed to conduct a capacity building workshop for the teaching staff	A capacity building workshop for the teaching staff was conducted on the topic Inter-Personal Relationship and Time Management.
	Conduction of more Seminars / Conference / Workshops.	5 National Seminar have been organized by the Department of Computer Science

## PART – B

### 1. Activities reflecting the goals and objectives of the institution

#### Goals:

1. To maintain high academic standards
2. To improve the knowledge of the students through effective teaching and learning practices
3. To educate students from the rural community by giving preference
4. To develop moral values among the students
5. To enhance the students' knowledge and skills to match the demands of the scientific and technological world
6. To make the student focus on their research activities and be innovative
7. To make the students pursue higher studies and update their knowledge according to the demands of the job market and improve their employability

#### Objectives:

#### To impart the globally competent knowledge of the graduates of Arts and Science students along with:

1. Effective communication through reading, writing, speaking and listening
2. Creative and innovative ability to resolve problems and make effective decisions
3. Increasing the knowledge of computational skills on a level compatible with job demands
4. Imparting professional code of ethics, a sense of social responsibility, good habits and a positive attitude

5. To train and develop the students to be employable in the changing environment of IT and pharmaceutical sectors
6. To enhance the performance of teachers through knowledge exchange programme
7. To develop the college into a pioneering Centre of Teaching, Learning and Research in the area of Arts and Science

**Academic programmes:**

- ✓ The college strives to achieve a synthesis of equity and excellence. The aim is to inculcate a value system in the students so that they may attain the holistic development.
- ✓ The college is committed to promote higher education for students in such a way that it meets the fast changing needs of the agriculture and industrial sectors and to cater to the demands of the students belonging to the various strata of our society
- ✓ The college insists on working towards the objective of empowering students to face the challenges of the corporate world and to maintain industry-academia relationship
- ✓ Research course namely M. Phil Biotechnology have been started during the academic year 2009 – 2010 to suit the local and global employment market.
- ✓ During the academic year 2009 – 2010 more than 99% of the students are from rural area with their parent's occupation as agriculture which is evident that our institution attract the rural community
- ✓ The goals and objectives are made known to the freshers during the Induction Programme conducted at the beginning of the academic year.
- ✓ All the teachers who have less than five years of teaching experience undergo an Orientation Programme organized by the IQAC. The themes of the Orientation Programme are related to the recent trends in educational psychology.
- ✓ Outreach Programmes take the benefits of higher education to the poor and rural people in the hamlets in and around Hosur.
- ✓ The very fact that during this year 43% of girl students studying in the college reveals that the academic programmes offered by our institution have attracted the women community by catering their needs.
- ✓ To create awareness among the women, a women development cell has been established to address the needs of women on health, legal problems, rights and employment

- ✓ As part of the Quality Concern, concrete steps have been taken in establishing an Internal Quality Assurance Cell in the campus. Feedback has been collected from the outgoing students during the final semester. The external members of IQAC were replaced with more dynamic personalities so that they play a proactive role in the cell
- ✓ The tutoring system has been implemented for the last few years. In this system every class has a tutor, a senior staff-member of the department, who would keep track and monitor the academic progress made by the students of that particular class

### **Research activities**

Ever since the inception of the research centre in Microbiology, Tamil, Computer Science, Commerce, Biochemistry, Research Scholars and faculty members in Microbiology has catered the younger generation on the importance of the issue. A multidisciplinary approach in research is given by merging biological sciences such as Biochemistry, Microbiology and Biotechnology. The field of research in life sciences area caters the needs of the society at all levels.

### **Extension activities**

- The post graduate departments of life sciences are carrying out the research and extension work to transmit the research findings from “Lab to Land”.
- The extension work was carried out by the 3 NSS units of our college in 2 villages and by 8 programmes.
- The Department of Computer Science has given ‘in house training’ on MS Office and Internet to the newly appointed teaching and non-teaching members of our college.

### **2. New academic programmes initiated (UG and PG)**

UG : B. Com (Additional Section)

PG : M. Sc Biotechnology (Additional Section)

Research : M. Phil Biotechnology

### **3. Innovations in curricular design and transaction**

The curriculum and syllabi of the courses have been restructured to Choice Based Credit System (CBCS) from the academic year 2008 according to the instructions given by TANSICHE through Periyar University, Salem to which the college is affiliated.

Apart from the curriculum designed by the Periyar University, Salem, we take personal responsibility in the following;

- Teaching has been reformed in such a way that the student understands the fundamental concepts and principles that underpin their areas of specialization.
- Application of the principles and the subject in practical life is being taught
- Moral and ethical issues of the subject
- Substantial research oriented hands on training that generate knowledge and analytical skills are being taught
- We believe that the role of computer is very essential for the future endeavour in almost all the programmes offered by the college. Thus the college has provided internet connectivity to all the faculties, thereby creating greater awareness of Information and Communication Technology among the students and promote the process of learning.
- Remedial Programmes have been organized for slow learners / low achievers.
- Internship in leading institutions and rural areas
- College provides choice through elective papers, Non Major Electives and Extra Disciplinary courses
- Compulsory participation in NSS/YRC/Sports
- Introduction of General awareness course to facilitate the students to write the competitive examinations and Environmental studies to create environmental awareness

#### ***Innovations in Teaching methods***

- Multimedia Learning process
- Teaching with sense of humor
- Group discussions

#### ***Innovations in Laboratory experiments***

- Laboratory experiments are designed by Periyar University, Salem and so no innovations can be made in this criteria

#### ***Innovations in Evaluation methods***

Evaluations are made in respect to individual students by

- Assignments
- Class seminars
- Group Discussions

- Model preparation
- Activity based learning

***Preparation of resource material including books, reading materials, Laboratory manuals etc.***

Students are issued with a hard copy of reading materials and protocols of experiments to be done in laboratory for their allotted subject

***Remedial Teaching / Student counselling (academic)***

- Apart from normal class room sessions, the students with less concentration and poor understanding are given special attention after the college hours. They are individually called and the concepts of the lessons are taught for their easy understanding and creativity based learning are given for their easy understanding.

***Any Other Innovations***

- Encouraging student to participate and present papers/posters in state/national and international seminars/conference/workshops for scientific interactions.
- Conducting industrial visit to the biotechnology/food/pharmaceutical industries for students to promote the spirit of bioentrepreneurship

#### **4. Interdisciplinary programmes started**

Nil

#### **5. Examinations reforms implemented**

- Three Internal Assessment Tests and a Model Examination for theory, and a Model practical exam for each subject were conducted for each semester.
- Based on the examinations, seminars and assignments, the students were given internal marks.
- Quality initiatives in students' progress were achieved by sending progress reports to parents regarding attendance, unit test and model exam marks and semester examination marks of the students to parents.

#### **6. Candidates qualified NET/SLET/GATE etc.**

<b>S. No.</b>	<b>Name of the staff</b>	<b>Department</b>	<b>Eligibility obtained</b>
1.	Mrs. T. Ramana Geetha	Microbiology	SLET
2.	Mrs. M. Vimala	English	SLET

## **7. Initiative towards faculty development programme**

The Management is instrumental in making continuous efforts to promote the development of teachers.

- Teachers are allowed to carry out their research and can avail study leave to write their M.Phil. and Ph.D. examination and complete their dissertation works.
- The Management has encouraged many staff members to attend National, International Conferences / Seminars / Symposia / Workshops and training programmes on deputation.
- Internal Quality Assurance Cell has also taken initiatives for the welfare of the faculty members of the college and in the current academic year, it has conducted 3 programmes for the benefit of the faculty. They are as follows:

<b>S. No.</b>	<b>Date</b>	<b>Topic</b>	<b>Resource Person</b>
1.	14.08.2009	Making Leaders for Tomorrow	Mr. B.N. Siva Kumar, Assistant Professor in Management Studies, Adhiyamaan College of Engineering, Dr. MGR Nagar, Hosur, Tamilnadu, India. Pin – 635 109.
2.	25.09.2009	Communication Development	Mr. Edwin Jeevaraj Assistant Professor in English, Adhiyamaan College of Engineering, Dr. MGR Nagar, Hosur, Tamilnadu, India. Pin – 635 109.

**25. Computerization of administration and the process of admissions and examination results, issue of certificates:**

The office administration is completely computerized and the campus is completely connected with intra and internet facilities.

**26. Increase in the infrastructure facilities:**

The following are the infrastructure facilities created during 2009 – 2010

***Towards the purchase of new instruments and chemicals***

Microbiology	–	Rs. 1,54,984
Biochemistry	–	Rs. 66,609
Chemistry	–	Rs. 1,47,929
Physics	–	Rs. 56,903

*Towards the purchase of new softwares*

Computer Science – Rs. 37,80,546

**27. Technology upgradation:**

New hi-tech computer laboratory for the UG and PG students have been established worth Rs. 37,80,546 in the department of Computer Science. Post Graduates laboratory of Department of Biotechnology has been fully air-conditioned to meet the demand of the recent experiments included in the curriculum. Office administration is fully computerized and the campus is fully connected with intranet and internet.

**28. Computer and Internet access and training to teachers and students:**

One-day training programme on Information Communication Technology (ICT) usage and Office Automation has been conducted to teaching and nonteaching staff members. Internet access is provided to all students through computer laboratories at their allotted time period.

**29. Financial aid to students:**

The State and Central Government scholarships are being applied for the students at the beginning of the academic year and the same has been received and released to students as scholarships. Apart from the Government Scholarships the Management has distributed towards scholarships for sports persons and economically poor counting more than 25 students this year.

**30. Activities and support from the Alumni Association:**

- Department-wise alumni meetings were conducted.
- The Alumni of Commerce department have donated books to the Library and Information Centre.
- Alumini association provides scholarships to the economically weaker and meritorious students and instituted Medals and Trophies to the meritorious students.
- The IQAC of the college includes an alumnus as its member.
- Guest lectures are delivered by alumni members on topics in their field of specialization and relating to the overall development of the students.

- They also help the students in getting placements by providing information about the employment prospects to the college.

### **31. Activities and support from the Parent-Teacher Association:**

Parent-Teacher meetings were conducted on regular basis for the upliftment of the student community. The suggestions given by the parents have been recorded and implemented. Feedback on curriculum has been obtained from the parents.

- Library is kept open for 6 days a week from 8.30 am to 7.00 pm.
- Information communication Technology (ICT) has been used as an effective learning resource.
- Providing management scholarships in addition to the government Scholarships
- Introduction of innovative practices in academic and administrative activities
- To encourage the extra-curricular activity, travelling allowance is given to the student participants who have attended the programme in different colleges

**40. Linkages developed with National/International, academic/Research bodies**

- Some of our teachers are associated with some professional bodies and research institutes.
- Staff members act as the BoS members in various Universities and Colleges throughout Tamilnadu.
- Senior faculty members are being nominated for the Syndicate and Senate membership in various universities of Tamilnadu.
- Some of the faculty members are acting as BoS Chairperson and Chief in the examination wing of Periyar University.

**41. Any other relevant information the institution wishes to add:**

- ✓ The college is committed to promote higher education for students in such a way that it meets the fast changing needs of the agriculture, industry and to cater the demands of the students belonging to the various strata of our society
- ✓ Research course namely M. Phil Biotechnology have been started during the academic year 2009 – 2010 to suit the local and global employment market.
- ✓ During the academic year 2009 – 2010 more than 99% of the students are from rural area with their parent's occupation as agriculture which is evident that our institution attract the rural community
- ✓ All the teachers who have less than five years of teaching experience undergo an Orientation Programme organized by the IQAC. The themes of the Orientation Programme are related to the recent trends in educational psychology.
- ✓ Outreach Programmes take the benefits of higher education to the poor and rural people in the hamlets in and around Hosur.
- ✓ The very fact that during this year 43% girl students studying in the college reveals that the academic programmes offered by our institution have attracted the women community by catering their needs.
- ✓ To create awareness among the women, a women development cell has been established to address the needs of women on health, legal problems, rights and employment
- ✓ The tutoring system was introduced in the last few years. In this system every class has a tutor, a senior staff-member of the department, who would keep track and monitor the academic progress made by the students of that particular class
