Acupuncture medical camp was held on 09.02.2023 on behalf of MGR College National Service Scheme. Our Principal Dr. A. Muthumoni presided over the camp and addressed the students. Healer Mrs. HemaNeelakandan (Acupuncture Science) was the special guest. Acupuncture can take the patient's pulse and determine the nature of the disease within seconds. It may vary from person to person depending on the severity of the disease. He said that people of all ages, from newborns to the elderly, can use this treatment.

Mr. Ganesh (HHH Trust) listed the daily problems faced by the public and explained to the students. Excessive sleepiness, lack of activity, unrelenting headache, loss of appetite, constipation after eating, inability to defecate easily, sleepiness after eating, pain in limbs, blood pressure etc. can be cured quickly with this medicine.

Mr. Neelakandan (HHH Trust) congratulated the students. Students got to know the advantages and benefits of Acupuncture by interacting with special guests and asking doubts. The camp was organized by National Service Scheme Officers Dr. G.Lenin and Ms.L.Thenmozhi.
